rhythm! flexible tambour screens

Introducing Rhythm: Rhythm is a stylish alternative to standard screens. Designed to be totally flexible in form and function.

Available in two colours with a choice of top profiles.

Available in two laminate finishes, Natural and Silver.

The perfect accessory to any office environment.

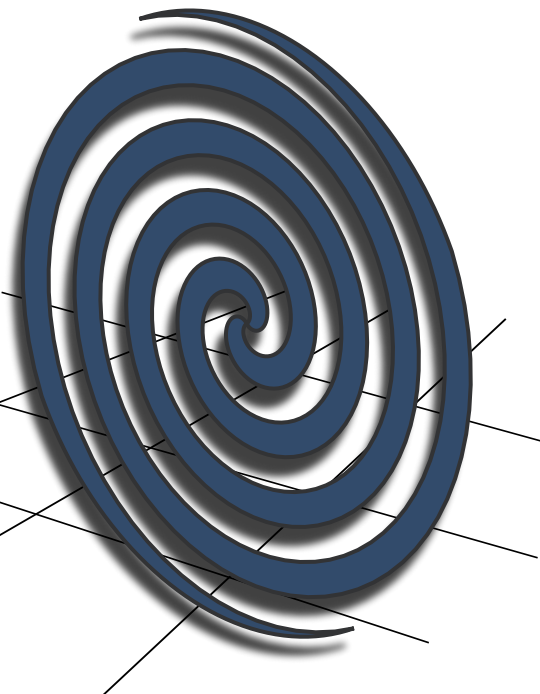

> **straight top** > **curved top** > **straight top**

freestanding >

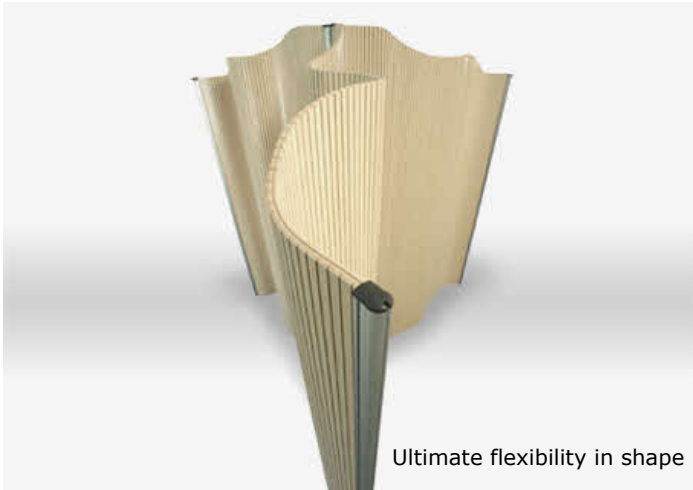

For additional stability, a stylish support foot is an option.

Linking strips can also extend to its multiple flexibility.

Flexible Tambour Screens

rhythm!

Ultimate flexibility in shape

Adaptable on short notice

Slatted flexible tambour screens

finishes & general >

Rhythm - Totally flexible in form and function.

Standard frames:- Anodised, Black & Silver grey. Additional colours are available on request.

This aluminium frame is secured to the ends of the flexible tambour screen to increase rigidity as well as offering the ability to link additional screens.

Tambour screen with Stabilising Foot
