company history

Screentek has now been trading since 2001 and have grown from strength to strength.

Constantly improving on service, products and value we are trading at the forefront of the UK marketplace.

The Screentek range of office screens, partitions, dividers and office screen accessories have been developed exclusively in our UK and German factories to combine excellent quality, value and market leading aesthetics.

With an extensive product range and thousands of variations we are sure to cater for all your needs.

With the Management team having always been involved in the Office Furniture Industry we have gained unprecedented experience in all its facets.

Screentek currently occupy a total of 12000 sq ft in the UK in various locations which includes our Head Office and Factory in Chorley, Lancashire.

Our German Factory is located in Saarbrücken, 112 miles (1.5 hours) South-West of Frankfurt and occupies around 25000 sq ft with 35 employees.

We welcome you to this site and invite you to peruse through our products, services and solutions at your leisure.
